Welcome

Beautiful, peaceful, and comfortable location. Each family will enjoy their own room in the beautiful Miracle Lodge. Some highlights include indoor and outdoor fun, pajama movie night, painting, candlelight dinner, crackling fireplace, horse drawn sleigh rides, games, crafts, laser tag, and so much more. Snow tubing is available, but will be at your own expense (once you rsvp, you'll be provided a link to sign up). The BLAST staff will be available to provide fun for the children during the parent breakout session on Saturday morning. The retreat is offered free of charge to our Brighter Tomorrow's families.
