Grace Lutheran Church

Special Presenter
Heather Johnson

Please plan to join us as Heather Johnson shares her story of survivorship with us. She was diagnosed with ATRT (a brain tumor) as a teenager. She has attended college and has since worked with children in an educational setting. More recently Heather's cancer returned and her battle continued. As an adult survivor, she has a unique perspective to share with parents. Heather is willing to answer any questions we might have. Once her presentation has concluded, there will be time for sharing and supporting one another.

Our children will be well entertained in the BLAST (Bonding, Loving, and Sharing Truth) Program by all of our BLAST staff!
